

Oklahoma Public Health Training Center

Stipend Amount: \$3,500

Hudson College of Public Health students working on dissertations, practicums, or internships are invited to apply for this competitive opportunity.

2024 Projects:

Oklahoma Public Health Association	Southern Plains Tribal Health Board
McKenzie Cowlbeck, MPH, CPH	RD Dickens, ABA
Multiple projects opportunities involving public health policy and advocacy with Oklahoma Public Health Association (OPHA). Potential activities include: bill identification and tracking, developing policy/advocacy materials, event planning, membership surveys, supporting monthly Committee meetings, and others as ideated or assigned.	Multiple projects on current trends in Tribal Public health data for American Indians in the Southern plains area will be available. The student will assist with analysis of current trends in Tribal public health data for American Indians in the Southern Plains area, including but not limited to opioid abuse, dental, diabetes prevention, and public health promotion.

More Information:

Preference will be given for completing projects already planned by

OPHA and SPTHB

If you would like to propose your own project related to:

behavioral health, and/or any of the three HHS clinical priorities (Mental health, opioid abuse, and childhood obesity) and/or COVID 19,

please contact Navya-Jeldi@ouhsc.edu

Applicant MUST be a U.S. Citizen, non-Citizen U.S. National, or Permanent Resident

Apply by November 4, 2024!
