

Field Placement Packet

Region 6 South Central Public Health Training Center

Student Placement Agreement

The Region 6 Student Handbook contains the application materials and instructions for the Region 6 South Central Public Health Training Center Field Placements and Faculty-Student Collaborative Projects. These programs provide graduate students with the opportunity to develop public health skills while assisting organizations in their efforts to ensure a fully prepared public health workforce for the future. Students engaged in projects hosted by public health agencies and organizations in the HHS Region 6 states of Arkansas, Louisiana, New Mexico, Oklahoma, and Texas will be eligible for support through this program. Through funding from HRSA, student interns will be paid a stipend of \$3,500 at the completion of the internship and will be required to submit a program plan, final report, a final program evaluation, and a copy of any products generated at the conclusion of their internship experience. HRSA requires this information for annual reporting on the internship program. Masters and doctoral degree candidates in public health schools and programs and other health-related programs in Arkansas, Louisiana, New Mexico, Oklahoma, and Texas are eligible to apply for an internship experience.

By signing below, I confirm that I meet these eligibility criteria (check all that apply):

I am a graduate or doctoral student enrolled in a public health or health-related degree program at an accredited school or program, OR;

I am an undergraduate junior or senior enrolled in a public health or health-related degree program at an accredited school or program, (under rare circumstances, undergraduate applications will be considered, however preference will be given to graduate students), OR;

I am Preventive Medicine Resident placed at a state or local health department.

AND

I am a U.S. citizen or a permanent legal resident of the United States.

My signature below also confirms my agreement to complete and submit all required forms necessary for evaluation, reporting, and payment processing; to provide a copy of my Field Placement/Faculty Student Collaborative report and any associated presentation; and supply employment information for one year following my Field Placement or Collaborative Project.
